DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The two story, clapboard, single family detached residence forms an L-shaped design as a result of the adjoining main and offset-rear gables. Both gables are pedimented and share the boxed and bracketed cornice which follows the roof line entirely around. Placed near each other are two brick and terra cotta stovepipe chimneys.

There is a flat roofed, segmental arch design arcaded gallery. The main entrance, complete with stained glass transom, is flanked by two, large, first story windows with shutters and a decorated lugsill. The second story windows are also shuttered and have a two sash with mullion, double hung, 4/4, flat arch design.

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

The 600 block of Homestead is made up of homes which date from the 1850-75 time period and stand as the oldest block in the Waverly area. This residence is particularly striking as a result of the stovepipe chimneys, decorated cornice, arcaded gallery and excellent condition.
